Probleme von Schülern

Wegen Schule unter Druck

Hallo – wer ist am Apparat?

Hallo, hier ist Thomas.

Was ist dein Problem, Thomas?

Ich habe ein großes Problem mit meiner alleinerziehenden Mutter. Sie setzt mich wegen der Schule sehr unter* Druck. Wenn ich keine guten Noten schreibe, ist zu Hause richtig* Stress angesagt.

Wie setzt sie dich unter Druck?

Sie schreibt mir alles vor*, z. B. darf ich abends nur bis sieben Uhr raus*, ich darf nie bei meinen Freunden übernachten*, nicht mal in den Ferien, ich darf bestimmte Klamotten wie zerfetzte* Jeans nicht tragen. Ich darf praktisch nichts.

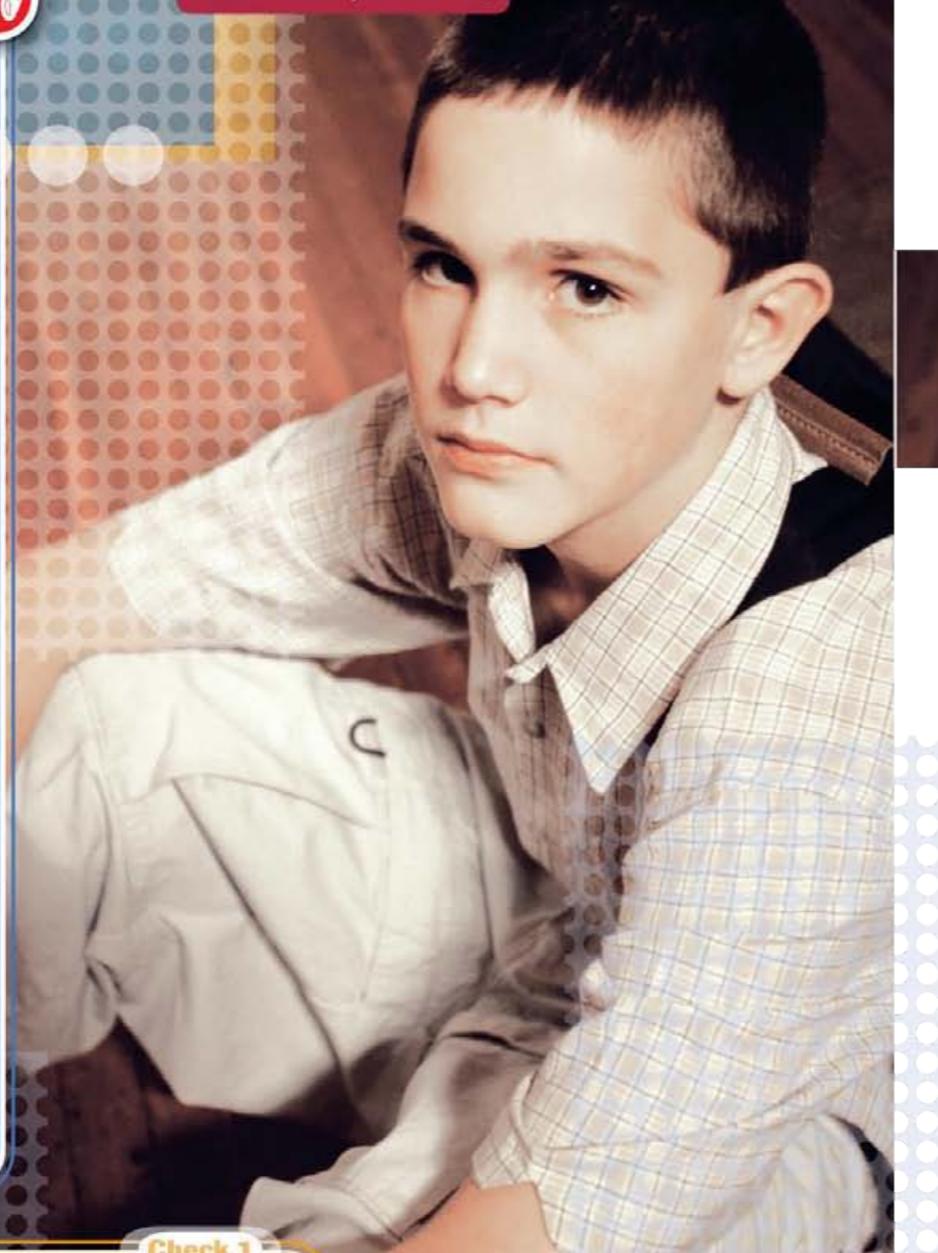

Hast du mal mit deiner Mutter gesprochen?

Ja, aber sie hört mir überhaupt* nicht zu. Ich bin jetzt schon 16 und sie behandelt* mich wie acht.

Hier sind Meinungen zu Thomas' Problem:

Lulu99

Du musst jetzt hart sein und deiner Mutter sagen, dass du mit 16 bis 24 Uhr raus darfst.

Caloblau

Druck macht deine Noten nicht besser. Druck macht dich nur frustriert. Das musst du deiner Mutter klar machen.

Kiwi123

Deine Mutter braucht Hilfe. Sie muss mal Urlaub von dir machen. Sprich mit deinem Arzt.

FABian

Du musst mit deiner Mutter zu einer sozialen Behandlung gehen.
